Letter Pointing out Error in 2/4/04 Information Disclosure Citation

Sir:

A complete English translation of Japanese Patent No. 62-215278 was filed on February 2, 2004, along with an Information Disclosure Statement, as can be verified by reviewing the Image File Wrapper of this case. The English translation of this patent is found in the Image File Wrapper under the entry "2/2/04 Foreign Reference". In this entry, both the Japanese patent itself and the English translation thereof can be found. But the Information Disclosure Citation accompanying the February 2, 2004 Information Disclosure Statement merely stated that an Abstract of this patent was submitted. Accordingly, Applicants are correcting the record by this paper to reflect the filing of a complete English translation of Japanese Patent No. 62-215278 on February 2, 2004.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Gary Jacobs", written over a horizontal line.
